

Fee: \$5,000 for funding requests less than \$10 million (USD)  
\$10,000 for funding requests from \$10 million (USD) to \$50 million (USD)  
\$15,000 for funding requests more than \$50 million

Step 1: Complete Page One of this application and [pay the fee online here](#).

Step 2: Upload all documents to a data room that will be set up by the Project Specialist.

Step 3: Within ten business days we will inform you if your application was accepted.

The application fee is nonrefundable, but will applied towards the engagement, if one is offered. Acceptance of your application DOES NOT mean financing has been approved. It means we have reviewed the materials you provided and preliminarily believe we can provide financing. In most cases, a significant amount of work will still be required to structure and secure the financing. You will receive an engagement agreement that will outline the full terms and conditions of the engagement.
